Commendation “Spirit of the Pacific”

It is with great pride and immense respect that I write to award you the *Spirit of the Pacific* commendation, within the Pacific Regiment of the 405th Infantry Division. This commendation serves to recognize individuals whose unwavering dedication, exceptional skill, and tireless commitment to duty exemplify the core values of our regiment. Your contributions have left an undeniable mark on our unit, and it is my privilege to honor you today.

We also recognize the sacrifices made by your family, whose steadfast support allowed you to answer the call whenever duty demanded it. Their understanding and resilience ensured that you were always ready to step into the fight, no matter the hour. It is often said that the strength of the individual is amplified by the strength of their family, and in your case, this could not be truer. Please extend our heartfelt gratitude to them for their critical role in enabling the operational readiness of this regiment.

On behalf of the Pacific Regiment, it is my great honor to formally award you the *Spirit of the Pacific* commendation. Your dedication, leadership, and commitment to the mission have been an inspiration to all who serve alongside you. You embody the very best of what it means to serve in the UNSC, and it is my hope that this recognition serves as a testament to your contributions and sacrifices.

Respectfully,

/S/ *Baron*
